DEPARTMENT OF PHYSICS

ENJOY OPTICS – Hands on Training cum Workshop

16 October 2019

Report

Department of Physics , Sullamussalam Science college , Areekode conducted a hands on training cum workshop on the topic ‘Enjoy Optics’ on 16th October. Dr Shaheer Cheemadan ,Assistant Professor MAMO College Mukkam,who is also a fellow of Optical Society of America(OSA) was the resource person. Dr Mohammed Shanid introduced the speaker and CA Safeeque,Head of the Department, concluded the session.

Dr Shaheer demonstrated the ‘optics suitcase’ developed by OSA which includes materials for demonstrations and experiments that teach optics in a fun, hands-on atmosphere .The students get a chance to do and feel much of the theories that they have studied in their class room like polarization, diffraction, selective reflection etc. He also introduced the students many types of materials and also shown them drastic change of the properties of the materials with slight difference of the composition. Apart from this through his presentations, photos and videos inspired students to take up their carrier in optics.
