**Status of Autonomy Application:**

Our institution has applied for autonomous status, and the inspection by the University of Calicut has been completed. We are currently awaiting the formal conferment of autonomy.

**Internal Quality Assurance Cell (IQAC):**

The IQAC was established in 2005 and has been modified to include two external peer team members, as per Regulation 9.1. The IQAC will continue to monitor and report the performance of the college, and external peer reviews will be conducted at least once a year. The reports will be published on the college website.

**Website Compliance:**

Information regarding courses offered, fee structure, faculty details (with qualifications and unique IDs), admission procedures, infrastructure details, and research activities (including details of Ph.D. students, enrollment dates, topics, and supervisors) has been updated on the college website.

As per Regulation 9.4, once the autonomy is conferred, various Committees/Cells mandated under UGC Regulations will be constituted, as they require nominations from the state government and the university. These details will be updated on the website in due course. The institution will regularly update all required information on the website and any web portals specified by the UGC.

### **Regulatory Compliance:**

Internal Complaints Committee (ICC): Established and its composition is updated on the college website as per the UGC (Prevention, Prohibition, and Redressal of Sexual Harassment of Women Employees and Students in HEIs) Regulations, 2015.

Student Grievance Redressal Committee (SGRC): Constituted as per UGC (Redress of Grievances of Students) Regulations, 2015, and updated on the website.

Institutional Development Plan (IDP): The Institutional Development Plan has been formulated and is being implemented to ensure the long-term academic and administrative growth of the institution, aligning with the objectives of the National Education Policy (NEP) 2020.

Accessibility Guidelines and Standards: The institution strictly adheres to the Guidelines for Accessibility Standards for Higher Education Institutions to ensure a barrier-free and inclusive environment for Persons with Disabilities.

Research & Development Cell: A Research and Development Cell has been established to promote a research culture, facilitate grant applications, and monitor research activities among faculty and students.

Fee Refund Policy: Compliance with the UGC Fee Refund Policy is ensured.

Anti Ragging Guidelines: The Anti-Ragging Committee and Anti-Ragging Squad have been constituted in strict compliance with the UGC Regulations on Curbing the Menace of Ragging in Higher Educational Institutions, 2009.

Equitable Opportunity for the Socio-Economically Disadvantaged Group (SEDGs): An Equal Opportunity Cell functions within the college to ensure non-discrimination and provide support and equitable opportunities for students belonging to Socio-Economically Disadvantaged Groups.

Public Self-Disclosure: Compliance with UGC Guidelines on Public Self-Disclosure by Higher Education Institutions is ensured.

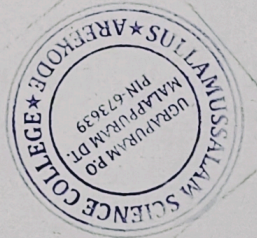

### **Future Commitments:**

The college will continue to comply with all UGC Regulations and provide updated information as required.

Any further directives from UGC will be implemented in a timely manner to maintain quality education, accountability, and good governance.
