'The Opening'

In the name of God, The Most Gracious,
The Most Merciful.
Praise be to God, the Cherisher and
Sustainer of the World;
The Most Gracious, The Most Merciful.
Master of the Day of Judgement
You alone do we worship,
And unto You alone we turn for aid.
Guide us to the straight way-
The way of those on whom
You have bestowed Your Grace,
Not of those who have been
condemned (by You),
Nor of those who went astray.

The Holy Quran 1:1-7

COLLEGE AT A GLANCE

Sullamussalam Science College is a first grade aided college affiliated to the University of Calicut, approved by the University Grants Commission and accredited by the NAAC. A Kilometer away from Areekode on the Vazhakkad Road, the college campus is located on the picturesque hills of Perumparamba on the bank of the Chaliyar.

Understanding the fact that the Gross Enrollment Rate (GER) in higher education is very low in the district, we provide a serene atmosphere in the campus congenial for the academic growth and facilitate healthy practices beneficial for the all round development of the students.

The College had a modest beginning in 1995 with 72 students in three courses - BSc. Computer Science, BSc. Mathematics and BA English Literature. In 1999 the government sanctioned to the College BSc Physics course. The College rose to new heights when it was sanctioned a post graduate course in Computer Science in 2000. In 2003, the college started the M.A Course in English, and in 2004 MSc. Physics and MSc Mathematics, all in the unaided sector. And by starting the BCom course with Computer Application in 2006 in self financing sector, a new branch was added besides arts and science. In 2013 B.A Economics, M.Com and BA Islamic Finance were started, of which the latter is funded by UGC. In 2014, UGC granted two vocational courses - BVoc in Broadcast Journalism and BVoc in Software Technology. As part of introducing new innovative- inter disciplinary programmes, the Government of Kerala sanctioned a dual core programme - BA Communication & Media - History in the 2021-22 academic year.

The College is run by Muslim Educational Association, an educational organisation formed in 1994. Jamiyyathul Mujahideen, Areekode, an organisation formed in 1944 is the parent body of MEA. The college

was founded with the objective of imparting quality education to backward minority communities in rural areas of Malabar in general and of Malappuram District in particular. The Organisation has always cherished value - based education. Thanks to the Almighty, it has so far triumphed in its objectives, despite various constraints. Now on a stable footing, the college is venturing into new avenues of higher education.

The college is proud of its PTA: it has been active and helpful in the development of the college. The PTA takes pains in providing basic facility to students. The College takes special interest in realizing the values on which it was set up: it never forgets its social commitment; it takes up many charity activities in and around. The college has launched 'A House A Year Scheme' for the poor in the neighbourhood. Construction of six houses under this scheme was completed and keys of the same were handed over to the poor families in the neighbourhood.

The college was accredited by NAAC at the B+ level in 2005. In2014, the college was re-accredited at the A level by NAAC peer team. In 2020, the college was again re-accredited at the A level by NAAC team.

The College is proud of the qualities that give it an edge over other institutions of the same nature.
